Hi Michael!

I just wanted to let you know that we received the tribe's request. And that I will be meeting with the Office of Water folks later this week. We will add consultation to the agenda, and get back to you as soon as possible.

Subject: [POSSIBLE SPAM] Seldovia Request for G2G

Hi Dan,
Seldovia Village Tribe would like to formally request a G2G meeting with EPA on the current NPDES permit for exploratory drilling in Cook Inlet. If you have any questions please don't hesitate to call us.
We thank you for the opportunity to talk to you and EPA staff on this very important matter. We hope that education on this matter will go both ways at this meeting.
Thank you,
Michael
